

Drishti-26

Drishti is the flagship student-run technical festival of the College of Engineering Trivandrum (CET) — uniting innovators, creators, and developers from 150+ colleges under one campus-wide experience.

As part of Drishti many workshops and programmes are conducted by students and management.

Sep 13th

Program Starts with a D'Run marathon on Sep 13th , from CET to Greenfield Stadium,

Sep 15th

A Stellar Odyssey Treasure Hunt conducted by AstroCET takes place on September 15th.

Sep 16th

Sep 16th includes a SolidWorks and MatLabs workshop both in collaboration with Herakles.

Sep 17th

An online Ansys workshop in collaboration with Herakles takes place from 5 to 8.

Sep 18th

Day 1 of Drishti'26 hosts a plethora of workshops, A 6 hour Sensor Fusion 101 workshop in collaboration with VeloCET, an Ansys workshop in collaboration with ASMECET, a Verilog and FPGA workshop in collab with RoboCET, an OpenCV workshop about Computer Visions in collab with AstroCET, Vision CET, Engine workshop in collab with Her Aura featuring Mahindra Maxximo Supro Engine and an build a 8 bit computer workshop in collab with Her Aura.

Sep 19th

Day 2 of Drishti hosts an Unreal Engine workshop in collab with Glitch CET, a Panel discussion about "Privatisation of Space industry" in collaboration with Ae SI SC CET, a signal processing competition called "Signal Shutdown" in collaboration with IET, a talk session on "Quantum Technology and Quantum Computing", a designing competition Pixelcraft in collaboration with ISTE SC CET, a workshop on Understanding models and Prompt Grammar in collaboration with BSS CET, a Robotic Arm Development Workshop in collaboration with AstroCET, workshop on Nix and NixOS in collaboration with FOSS CET, a Concert by Shan Rahman, Cad Clash Autocad Drawing competition in collaboration with ICI, ETLAB Workshop in collaboration with ICI, Race Car Dynamics workshop in collaboration with Zenith, Website Re-Design Competition in collaboration with Tinkerhub, Figma Workshop in collaboration with Tinkerhub, Industrial Automation workshop in collaboration with EXCELERATORS CET, RoboWar competition of 8kg and 25kg categories and RoboSoccer competition of 5kg category.

Sep 20th

Day 3 of Drishti hosts Sangaraha'26 an exhibition of collectibles in collab with HCS CET, Arduino Workshop in collaboration with Herakles, Learn Circle on cloud computing and agentic AI

and a Concert of bollywood singer Dhvani Bhanushali.

Other Events to note-:

RC Plane workshop on Sep 18,19 and 20 in collaboration with AstroCET.

Biennale Art Expo on Sep 18,19 and 20.

AI summit on 18, 19 and 20.

D-Solve hackathon on 18,19 and 20 in collaboration with CS Association.

Project Expo on 18,19 and 20.

TinyML: Edge Intelligence workshop on Sep 18 and 19 in collaboration with IEEE SB CET.

PCB design workshop in collaboration with IET CET on Sep 19 and 20.

Escape Room competition in collaboration with Chaturanga'26 on 18,19 and 20.

Overdefined 11 hour hackathon in collaboration with Farrago on 19 and 20.

Model Rocketry 101 workshop in collaboration with VeloCET on 18,19 and 20.

FPV Drone Sim-Racing competition on 18 and 19 in collaboration with AeroCET.

The Robotics show on 18 and 19.
